REQUEST FOR WITHDRAWAL OF THE FINALITY OF THE OFFICE ACTION
MAILED JULY 5, 2006

* * *

Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450

Sir:

Applicant respectfully requests that the finality of the Office Action mailed July 5, 2006 be withdrawn and that the Office Action be designated as non-final.

Paragraph 8 on page 4 of the Office Action alleges that "Applicant's Amendment necessitated the new ground(s) of rejection presented in this Office Action." Respectfully, this assertion is clearly without foundation.

In the Amendment dated April 12, 2006, claim 1 was amended to delete the phrase "such as thermoplastic

. . -

adhesive" to overcome the rejection under 35 U.S.C. § 112. No claim amendments were made to overcome the rejection under 35 U.S.C. 102(b) based on Kubota. Applicant argued the inappropriateness of this rejection, and the rejection was withdrawn in the present Office Action.

It is not apparent how the deletion of "such as thermoplastic adhesive" from claim 1 necessitated the new grounds of rejection in the present Office Action. Moreover, fairness requires that Applicant have the opportunity to respond to the new ground of rejection without the restrictions of the final rejection practice.

The Commissioner is hereby authorized to charge to Deposit Account No. 50-1165 (A-10035) any fees under 37 C.F.R. §§ 1.16 and 1.17 that may be required by this paper and to credit any overpayment to that Account. If any extension of time is required in connection with the filing of this paper and has not been separately requested, such extension is hereby requested.

Respectfully submitted,

Reg. No. 17,095
